GateWay Travel

Hi I'm Wael! Your Ollami partner in Egypt! In 1999, I decided to start our travel business to pursue my passion and love for travel in Egypt. My dream has always been to give local access to Egypt for people around the world in a joyful, safe and cost efficient way. Since then our company has grown but that same passion for Egypt exists, and we'd love to share it with your clients.

FEATURED TOUR

Enjoy a trip to the heart of Egypt, and take the Nile River Cruise. It is the best way to see the incredible ruins of Ancient Egypt and modern life along the banks of the Nile.

EGYPT - LOCAL TIP

There are many destinations in the world that a traveller wants to visit, some are a must see... Egypt offers what other good travel destinations offer, plus having over one third of the world's monuments and humanity heritage, making Egypt a can't miss destination. Cultural tours combined with some of the best beaches and resorts in the world with good weather, especially in the winter, is a combination that is only Egyptian.
