"I spent 3 weeks in the Middle East and JTT coordinated my itinerary in Jordan portion of the trip, specifically in Amman and Petra. These folks built a schedule specifically for me where I experienced the local scene in addition to all the major tourist attractions like Petra and others, thank you!"

JORDAN - LOCAL TIP

I would love to share with you why Jordan is a must!

Jordanians are the most hospitable people in the world, its safe, the food, Peaceful religious coexistence, a variety of options for every pocket, incredible landscapes, weather is your friend, walk in the footsteps ancient civilizations, the lowest point on Earth couldn't be saltier than the Dead Sea, and see the stars as you've never seen them before.

A NOTE FROM NIGEL

I recently was lucky to fulfill a life dream and visit Petra and Wadi Rum thanks to JTT Travel & Tourism. A genuinely breath-taking experience, much more than I'd imagined and certainly wonders that should be included in your clients itineraries. The service on the ground was second to none, and the localised knowledge meant our tailored experiences were far more personalised than the groups travelling in the area. We went to areas less travelled with better vantage points, met more of the countries people and ate the best food. I can't recommend JTT Travel and a visit to Jordan highly enough. Be sure to include in your Middle East itineraries particularly when pairing with neighbouring Israel across the Dead Sea.
