Matoke Tours

Hi Ollami Partners, my name is Pleunie and I am a Dutch Travel Consultant specializing in destinations in East-Africa. I am based in Kampala, Uganda. I have lived in this beautiful part of the continent since 2014 and together with my amazing Matoke Tours team I would be happy to assist you in planning your client's safari adventure!

FEATURED TOUR

My favorite tour is the 16-day Grand East Africa Tour, which covers the major highlights of Uganda, Kenya and Tanzania. I'm a big fan of combining multiple destinations so that you can fully experience what East

Africa has to offer and get the most out of your travel time. Multiple country tours give a lot of room for creativity – and here at Matoke Tours we are with you every step of the way to create a smooth, hassle-free transition between each destination. I look forward to hearing from you and getting to work on creating your dream trip.

UGANDA - LOCAL TIP

Uganda is by far the top-destination when it comes to discovering the diversity of Africa. From the wildlife inhabited savannah plains to glacier covered mountains, tracking endangered mountain gorillas in the rainforest to rushing down the rapids of the mighty Nile, no two days in Uganda are the same. I look forward to introducing your clients to the country's natural beauty, diverse wildlife and fascinating cultures.
